15th Sunday in Ordinary Time - Year B

FAITH IN FOCUS: DIAL-A-DISCIPLE

Have you noticed how as a society we are becoming less “hands-on”? We seem to do things at a distance or get others to do things for us that previously we would have sorted out ourselves. I know someone who has never done her own cleaning, washing and ironing for years because she has a woman who comes in and “does” for her. Recently it has become popular to go on the internet and get the supermarket to deliver the groceries to your front door. You never have to leave home or enter a store again! On a more serious level we have for years handed over the care of our loved ones to “professionals” claiming that we cannot cope with them at home. And at the drop of a hat we invite people into our homes, from decorators to funeral directors, on the grounds that if we pay them they will do the job for us.

In today's gospel Jesus summons the twelve apostles together and sends them out in pairs to teach people all that he himself has been teaching them since they met him. They are to be disciples, people who learn at the feet of their master and then in turn become devotees of his teaching and witnesses to its power in their own lives.

The call to be a disciple is one that Jesus continues to make in our day. If we agree to be Christians then we are signing on the dotted line to being disciples who pass on the message of eternal life.

But how exactly are we doing this? Do we make a conscious effort to be mouthpieces of the gospel in our neighbourhood, on the streets where we live and in the places where we work? Are we active apostles, bold believers or just closet Christians? If people wanted to have some idea of what it meant to follow Christ would they pick up any clues from the way we live and behave?

It would be understandable, but sad, if we fell into the trap of “distance discipleship” and “hands-off” Christianity given the way that today we put a premium on convenience rather than involvement. Yet no one else can do what Jesus asks of us. There is no person who can come in and “do” for us, no website that can absolve us from preaching Christ on the front line, no professional clergy or teachers who can make life easier for us. There's no such thing as an armchair Christian; being a disciple is a “hands-on” job.

CATHOLIC SCHOOL GOVERNORS

We are looking to identify new Foundation Governors and Directors for our Catholic schools and academies across the Diocese of Brentwood. We are seeking expressions of interests from practising committed Catholics for this role and ministry. Foundation Governors are personally appointed by the Bishop to Diocesan schools to represent his interests and those of the Catholic community as a whole.

The Governors of a Catholic school work as a team, in close co-operation with the headteacher and all the staff. Foundation Governors share the responsibilities of all governors:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
- Overseeing the financial performance of the school and making sure its money is well spent.

If you are interested and want to be considered please send a CV to sophierussell@dioceseofbrentwood.org

CALAIS LIGHT

Ever felt you'd like to help destitute migrants in Calais but not known where to start? We run regular weekend car convoys from Brentwood Cathedral to chop veg and sort Refugee donations at the amazing Help Refugees UK Warehouse in Calais. Never mind the reasons WHY migrants are in Calais - the fact is they are there now - without resources, hungry, struggling. We feel strongly that part of our Christian mission is to support them one way or another. Please think about this and volunteer with us. If you can't, please donate with compassion at www.justgiving.com/crowdfunding/calaislight. Next Trip 28th-30th Sept. Sign up to volunteer on our Facebook page 'Calais Light', email us at: calaislight@yahoo.com or check out the Brentwood Cathedral Website.

Share the Journey
#sharejourney

More people than ever before are fleeing war, persecution, natural disaster and poverty. In autumn this year world leaders will sign two new agreements at the United Nations.

The global agreements are a united response to the current refugee and migration crisis. In their presentations at each of the weekend masses recently the Youth J&P group reminded us that Pope Francis has urged all Christians to pray that the agreements:

- respect human dignity
- protect the vulnerable
- support host countries

- keeps families together
- tackles the reasons why people migrate.

On Friday 7th September, to coincide with the publication of the refugee agreement the Senior J&P group will be hosting an hour of reflection and prayer on the continuing crisis. Note the date and check the newsletter for further details.
